

LOVE WINNIPEG

What could I Do?

You may not feel like you have time to get involved in a big project day...don't let that stop you from participating in your own Love Winnipeg adventure!

Here are some ideas for you to try at work, or with your family!

- have pizza delivered for an office lunch (include an anonymous Love Winnipeg card and sit back and listen to the comments all lunch long!)
- bring heart shaped cookies into the office and let everyone know you are on a Love Winnipeg adventure!
- Neighbours having a garage sale? Why not bring them out cold drinks or serve them hot dogs?
- Buy supermarket gift cards and mail them out with Love Winnipeg cards to somebody you know could use it.
- Send along goodies for all the teachers in your kids' school – or better yet – show up at lunch time with a few other parents and serve them all lunch!
- Wear your love Winnipeg t-shirts and take time as a family to clear trash off your block and in your back lanes. When your neighbours ask what you are doing, tell them about Love Winnipeg!
